

CC 520 IP

Quality
performance

The Sennheiser CC 520 IP is a quality performance binaural headset for maximum productivity. Durable construction makes it perfect for all office and professional communication tasks.

This wideband headset deliver a more nuanced soundscape where voice transmission is perceived as warmer and more natural.

Use CC 520 IP for VoIP communication via softphones on PCs / MacBooks and IP desk phones.

ActiveGard™

Protecting your hearing

- **HD voice clarity** The CC 520 IP wideband headset delivers natural high-definition sound for superior voice clarity, accented speaker recognition, and reduced echo
- **Boosted productivity** The binaural headset blocks background noise, allowing total concentration for increased productivity
- **Superior fit** Independently adjustable dual-padded headband and ball-mounted speakers ensure a perfect fit
- **Precision positioning** 300° adjustable microphone boom for personalised mic placement
- **Optimum clarity** An ultra noise-cancelling microphone filters out ambient sounds for clearer speech
- **Protected hearing** ActiveGard™ technology protects against acoustic shock and sudden sound surges
- **Extra comfort** Generous headband padding and extra large ear pads evenly distribute pressure for longer lasting comfort – guaranteed
